INTRODUCTION

While our doors have remained closed during the COVID-19 pandemic, the Coaster Theatre Playhouse is looking forward to welcoming volunteers, patrons and guests back into the building. As we look toward the future, we have created a plan that we believe will allow us to reopen to the community in a safe and responsible way following all recommended safety guidelines.

This guide contains the procedures that we recommend, in accordance with those set forth by Oregon Health Authority and recommendations by the CDC in order to keep each employee, volunteer and patron safe and healthy.

COVID-19 is an extremely contagious disease that can lead to severe illness and death. By entering the Coaster Theatre's facility, employees, volunteers and patrons voluntarily assume all risks related to exposure to COVID-19. The Coaster Theatre is continually monitoring the current recommendations, guidelines and restrictions that we are subject to; as such, everything in this safety guide is subject to change based on local, state, and federal regulations and recommendations.

The Coaster Theatre is putting forth its best efforts to encourage compliance with the guidelines outlined in this document. We remain committed to enriching lives through theatre and other live performance in a safe and responsible way as we do what we can to protect our employees, volunteers and patrons from exposure to COVID-19.

The guidelines contained in this plan are subject to changes and exceptions without prior notice, at the Coaster Theatre's discretion, based upon new information and guidance regarding COVID-19.

GENERAL COVID-19 POLICIES & PRACTICES

Coaster Theatre is committed to providing a safe and healthy space for all employees, volunteers, patrons, and guests. To ensure a safe and healthy space, Coaster Theatre has developed the following COVID-19 policies and practices in response to the COVID-19 pandemic.

Employees and volunteers are all responsible for implementing this plan. The goal is to mitigate the potential for transmission of COVID-19 in our theatre and community; this requires full cooperation among our employees, volunteers, patrons, and guests. Only through this cooperative effort can we establish and maintain the safety and health of all persons at our facility.

Coaster Theatre's COVID-19 policies and practices follows the industry guidance developed by the State of Oregon, available at the Oregon Office of Emergency Management (www.oregon.gov/covid19response), which is based upon Centers for Disease Control and Prevention (CDC) and current executive orders. It addresses:

- Ensuring sick individuals stay home and prompt identification and isolation of sick persons.
- Face Coverings and social distancing for all employees, volunteers, patrons and guests.
- Worker and visitor hygiene and source controls.

Coaster Theatre has reviewed and incorporated the industry guidance applicable to our business provided by the State of Oregon for the development of this plan.

The Coaster Theatre is requiring that all employees and volunteers are vaccinated against the COVID-19 coronavirus. If an employee or volunteer is unable to receive a COVID-19 vaccine, they must make arrangements to discuss their situation privately with the Executive Director. Exemptions will be made under the Americans with Disabilities Act (ADA) guidance.

I. GENERAL EMPLOYEE & VOLUNTEER PRACTICES

Basic infection prevention measures are always in place.

HAND WASHING. All employees, volunteers, patrons, and guests are required to sanitize their hands prior to or immediately upon entering the facility. When available, everyone will wash their hands with soap and water for at least 20 seconds. When this is not an option, employees and volunteers will use sanitizer containing at least 60% ethanol or 70% isopropanol. Employees and volunteers should also wash their hands at the beginning and end of each rehearsal, shift, break, AND after using the restroom, sneezing, touching their face, blowing their nose, cleaning, sweeping, mopping, smoking, eating, or drinking. Signs are placed as instructions and as reminders.

SOCIAL DISTANCING. Social distancing of at least six feet will be implemented and maintained between employees, volunteers, patrons, and guests in the facility. When this is not possible due to the task being performed, employees and volunteers should limit close contact (less than 6 feet) to the same people day-to-day to create a “work group.” Fully vaccinated employees and volunteers may choose not to socially distance if agreed to by all involved.

FACE COVERINGS. Employees, volunteers, patrons and guests must wear appropriate face coverings, such as cloth face masks. Face coverings must cover the nose and mouth at all times. This applies to all vaccinated and unvaccinated persons.

- Patrons, and guests are required to face coverings while on premises.
- Masks for employees, volunteers, patrons, and guests are provided by Coaster Theatre at no cost if they are unable to provide their own appropriate face covering.

ACCEPTABLE face coverings include a close fitting:

- Cloth, multi-layered mask
- Surgical/medical masks
- KN95 mask
- N95 mask (without an output valve)

UNACCEPTABLE face coverings include:

- Neck gaiters
- Scarves or bandannas
- Masks made of mesh, lace or any see-through material
- Masks with an output valve
- Any mask intentionally thin to provide air-flow
- Face shield without the addition of a mask that covers the nose and mouth

OTHER PRACTICES. Employees and volunteers should avoid touching their face, especially their eyes, nose, and mouth, whenever possible. Microphones, headphones, cell phones, keyboards and other personal equipment should be cleaned and sanitized regularly. Employees and volunteers should also cover their cough or sneeze with a tissue, or elbow/shoulder if no tissue is available, followed by thorough hand washing or hand sanitizer. It should be common practice to avoid close contact with people who are sick (COVID-19 or not), stay home when sick, and clean/disinfect frequently touched surfaces and objects.

II. PRACTICES FOR SICK EMPLOYEES & VOLUNTEERS

Employees and volunteers who have been informed of a positive COVID-19 diagnosis or exposed to a positively diagnosed person are encouraged to consult a medical provider, isolate and/or self-monitor for signs and symptoms of COVID-19.

The following policies and procedures are being implemented to assess health status prior to entering the theater and for employees and volunteers to report when they are sick or experiencing symptoms:

- Individuals are required to contact their director, supervisor or a staff member immediately if they are experiencing any symptoms that align with COVID-19. Symptoms of COVID-19 include fever, dry cough, shortness of breath, sore throat, fatigue, and muscle/body aches, loss of taste or smell, congestion, nausea, or diarrhea. Those who experience one or more of these symptoms will be asked to take a 14-day break from activities and are encouraged to visit their medical provider for a COVID-19 test
- After assumed or confirmed COVID-19 exposure, individuals may return to the theater if they confirm the following three things:
 1. No fever for at least 72 hours (that is 3 full days of no fever without the use of medicine that reduces fevers)
 2. Other symptoms have improved (for example, cough or shortness of breath, fever etc. has improved)
 3. At least 14 days have passed since symptoms first appeared
- If an individual is tested to determine if they are still contagious, they can return to the theater after these three things have happened:
 1. No fever (without the use of medicine that reduces fevers)
 2. Other symptoms have improved (for example, cough or shortness of breath has improved)
 3. Received two negative tests in a row, 24 hours apart

In all cases, individuals must follow the guidance of a healthcare provider and local health department. The decision to stop home isolation should be made in consultation of a medical provider and state and local health departments.

Those who confirm that they do not have a fever or cough or shortness of breath, but have more ambiguous symptoms such as sore throat, vomiting, or intestinal issues must take a break from work or activities until they are symptom free for at least 72 hours (3 full days).

III. RESPONDING TO CONFIRMED CASES OF COVID-19 IN AN EMPLOYEE OR VOLUNTEER

In the event of a positive test by an employee or volunteer, Coaster Theatre will decide, based on guidance from the county and the Oregon Health Authority, to suspend operations in the location where the infected individual participates, and all others will be notified.

Coaster Theatre has also implemented a policy for informing individuals if they have been exposed to a person with COVID-19 at our facility and requiring them to quarantine for the required amount of time. Executive Management will contact individuals to inform them of possible exposure and quarantine instructions as well as any possible closure of the facility.

In addition, a policy has been implemented to protect the privacy of employee's' health status and health information.

IV. SANITIZATION & VENTILATION

Operation of the theater includes necessary sanitation, assessment, and maintenance of building systems, including water, plumbing, electrical and heating, ventilation, and air conditioning (HVAC) systems. The maximum amount of fresh air is being brought into the theatre, and ventilation systems are being effectively used and maintained. Steps are also being taken to minimize air flow blowing across people.

FRONT OF HOUSE POLICIES & PRACTICES

I. GENERAL FRONT OF HOUSE & PATRON PRACTICES

All patrons, employees and volunteers will adhere to the general run of show policies as outlined above. As a reminder – any patron, employee or volunteer who has a temperature above 100.4F or symptoms of COVID-19 will not be permitted into the theatre. All patrons, employees and volunteers must observe all practices listed in General COVID-19 Policies & Practices section, while in the theatre.

The Coaster Theatre will abide by and enforce local, state and federal mandates regarding face coverings and social distancing.

The Coaster Theatre reserves the right to implement its own protocols in addition to face coverings and social distancing outside of governmental authority (e.g., intermission protocols, no meet & greets, etc.).

The Coaster Theatre will clean and disinfect high-touch surfaces in all audience accessible spaces daily including the lobby, theatre auditorium, hallways, entrances, restrooms and other locations. Special attention will be given to theatre armrests between uses.

The Coaster Theatre will encourage patrons to access the program provided digitally on their personal devices. A minimal number of paper programs will be available for patrons who prefer a paper program. Paper programs will not be re-used and patrons will be asked to dispose of the programs in the recycling bin as they exit the theatre, or take them home.

II. BOX OFFICE

Patrons are encouraged to use the theatre's online ticketing service to purchase tickets or may do so over the phone with box office staff. The box office is currently open for limited days/hours for in-person ticket purchases.

Patrons who purchase tickets through the box office must provide contact information to the box office which may be used to facilitate contact tracing.

The following daily protocols will be in place for all box office personnel:

- Face coverings will be worn by box office personnel at all times.
- Box office personnel will frequently wipe down high-touch surfaces with including service counters, credit/debit card swipe machines after each use, and any other surfaces exposed directly to patrons during transactions.
- Breaks are implemented to allow personnel time to wash or sanitize their hands.
- Patrons are encouraged to take advantage of digital or print-at-home tickets.

III. FRONT OF HOUSE/HOUSE MANAGERS/USHERS

HAND WASHING. All employees, volunteers, patrons, and guests are required to sanitize their hands prior to or immediately upon entering the facility. Patrons will be greeted with a hand sanitizing station upon entry into the Coaster Theatre. Patrons also have the option to use restrooms for hand washing located in the lobby of the theatre.

The lobby has easily visible signage informing patrons, employees and volunteers of sanitizing best practices and where they may find sanitizing stations.

All front of house staff and volunteers will be required to wash their hands and utilize hand sanitizing stations frequently throughout their shift, especially after handling items from patrons.

Front of house staff and volunteers will encourage patrons to utilize no-touch policies for all interactions unless absolutely necessary.

FACE COVERINGS. The following protocols will be in place for all front of house staff and volunteers:

- Face coverings will be worn inside at all times. No exceptions: 100% compliance regarding face coverings is required. Any front of house volunteer who does not wear a face covering at all times will be asked to leave the theatre.

VI. CONCESSIONS

Concessions will not be sold at the Coaster Theatre until further notice.

V. PATRONS

Any patron who refuses to comply with the theatre's COVID-19 Safety Guidelines and Mitigation Plan will be asked to leave the theatre. Harassment of theatre staff or volunteers regarding the theatre's safety guidelines and mitigation plan will not be tolerated. Anyone engaging in harassment of theatre staff or volunteers will be asked to leave the theatre.

PROOF OF VACCINATION. Patrons must show proof that they are fully vaccinated at the time of their entry into the Coaster Theatre through December 2021. This end date is subject to change and will be reviewed in October 2021. Face coverings will also be required for patrons inside the theater regardless of vaccination status. See "Face Coverings" under General COVID-19 Policies & Practices, Section I for a list of acceptable face coverings.

"Fully vaccinated" means either that 14 days have passed since receiving the second dose of the Pfizer or Moderna vaccine or that 14 days have passed since receiving the sole dose of the Johnson & Johnson single-dose vaccine or any additional WHO authorized vaccines. (<https://www.who.int/news/item/07-05-2021-who-lists-additional-covid-19-vaccine-for-emergency-use-and-issues-interim-policy-recommendations>).

Patrons may display proof of vaccination with a physical vaccination card, a legible copy of their vaccination card or a legible digital copy of their vaccination card in addition to a matching photo ID.

EXEMPTIONS. The Coaster Theatre will offer exemptions for those unable to be vaccinated, such as children under 12, people with certain medical conditions preventing vaccination, or those with closely held religious beliefs that prevent vaccination. These patrons must provide proof of a negative COVID-19 PCR test taken within 72 hours of the performance start time in addition to a photo ID.

FACE COVERINGS. Any patron not wearing a face covering, regardless of a medical exemption or age, will not be admitted entry into the Coaster Theatre. Anyone who does not wear a face covering (at all times) will be asked to leave the theatre.

There will be no exceptions made to the face covering policy. See “Face Coverings” under General COVID-19 Policies & Practices, Section I for a list of acceptable face coverings.

Patrons are required to socially distance between groups and parties as much as possible while in the theatre.

TICKETS. Patrons are encouraged to purchase their tickets in advance online or over the phone.

Patrons who purchase tickets at the Coaster Theatre box office in person or over the phone will be required to provide contact information which may be used to facilitate contact tracing if necessary.

Patrons will enter the theatre through the double doors located in the theatre’s courtyard presenting a digital ticket or printed copy of their ticket and proof of vaccination/negative COVID test.

Patrons will be checked in by theatre staff, board member or volunteer as they enter the theatre.
SEATING. All patrons will have assigned seating that is socially distanced from other parties. Once seated, patrons will not be allowed to move to another seat.

Patrons are encouraged to arrive no earlier than house open (30 minutes before curtain) and to socially distance before entering the theatre to reduce crowding or lines forming during entry.

Upon entering the theatre, patrons are to go directly to their assigned seats and avoid lingering in the lobby or aisles.

Following the conclusion of the performance, maintain social distancing while exiting the theatre.

PATRON RESTROOMS. Restroom entry will be monitored by theatre staff/volunteers to reduce overcrowding in the restrooms. Patrons are encouraged to socially distance and avoid lingering in the lobby while waiting for the restrooms.

OTHER PRACTICES. Patrons who are guests and/or family members of employees or volunteers will not be allowed backstage or in restricted areas for any reason.

There will be no meet and greet of cast members, crew or employees inside the theatre following the performance. Patrons who are waiting for cast members, crew or employees will be asked to wait outside.

AUDITION POLICIES & PRACTICES

The Coaster Theatre presents theatrical productions utilizing contract employees and volunteer cast and crew members. All employees and volunteers will abide by the policies addressed in our General COVID-19 Policies.

The Coaster Theatre is requiring that all employees and volunteers are vaccinated against the COVID-19 coronavirus. If you are unable to receive the COVID-19 vaccine, make arrangements to discuss privately with the Executive Director. Exemptions will be made under ADA guidance.

All auditioners will be required to wear face coverings which covers their nose and mouth in the lobby and throughout the theatre regardless of vaccination status.

Auditioners will be directed to a location on stage for their audition clearly marked by an “X” which puts them at a safe distance from production personnel and other auditioners in the theatre. Only while standing on this spot are auditioners allowed to remove their mask for the duration of the audition. Auditioners will put their mask back on once their audition is complete.

Auditions will include a discussion of all Coaster Theatre COVID policies and practices, a detailed explanation of the Coaster Theatres COVID-19 Agreement, and an explanation of expectations regarding risk of exposure during rehearsal and run of the production.

REHEARSAL & PERFORMANCE POLICIES AND PRACTICES

The Executive Director, Staff and/or Show Director shall oversee the implementation and adherence to all guidelines in all production departments and daily operations to promote a safe environment for all employees and volunteers.

The Coaster Theatre is requiring that all employees and volunteers are vaccinated against the COVID-19 coronavirus. If you are unable to receive the COVID-19 vaccine, make arrangements to discuss privately with the Executive Director. Exemptions will be made under ADA guidance.

I. General Rehearsal Practices

The Coaster Theatre presents theatrical productions utilizing volunteer cast and crew members. All employees and volunteers will abide by the policies addressed in our General COVID-19 Policies.

As a reminder, anyone who has a temperature above 100.4F or symptoms of COVID-19 will not be permitted to enter the Coaster Theatre.

All employees, contractors and volunteers, must observe all practices listed in the General COVID-19 Policies, while in rehearsal spaces.

All volunteer actors and crew members will sign, on their first rehearsal date, the Coaster Theatre's COVID-19 Agreement. If the actor and/or crew member is unable for any reason to sign the Agreement, they will be relieved of their responsibilities for the production.

SIGN IN UPON ARRIVAL. Upon arriving at the theatre each day, all cast and crew will sign in.

HAND WASHING. All volunteers and employees will be required to wash or sanitize their hands upon arrival to the rehearsal spaces or theatre and before they leave, as well as wash or sanitize their hands during each break.

Hand sanitizing stations will be placed throughout the theatre for regular access and use by all staff, volunteers and performers.

FACE COVERINGS. Volunteers will be required to provide and wear a face covering whenever possible. A "face covering" is defined as a close-fitting, 100% cotton, double-layered face covering which covers both the nose and mouth at all times (See "Face Coverings" under General Policies for a detailed list of acceptable and unacceptable face coverings). Face coverings will be worn at all times regardless of vaccination status.

SOCIAL DISTANCING. Whenever possible, all volunteers and employees should leave a minimum of 6 feet between them and the person closest to them, unless the cast is fully vaccinated and relaxation of distancing is agreed upon by all involved. All volunteers will respect any decision rendered by the director and/or stage manager regarding social distancing in rehearsal.

II. REHEARSAL SPACE PRACTICES

The following policies and practices will be in effect in regard to staging while in rehearsal. Performers who are not scheduled for a particular rehearsal will not be permitted in the rehearsal space. No one will be allowed in the rehearsal space unless they are in the scene being rehearsed, unless they are invited by the director, stage manager or production manager. There will be no visitors allowed at rehearsals unless accompanying a minor.

Performers are asked to arrive no earlier than 10 minutes before their rehearsal call. Those who arrive earlier than 10 minutes prior will be asked to wait outside or in their car. There will be no mingling in the lobby, dressing room or any location on the premises.

Performers must observe current local, state, and federal recommendations and regulations in regard to social distancing and gatherings. Gathering limitations and capacity restrictions are subject to change and as such this operating plan will be subject to those ongoing changes.

All rehearsal spaces and adjoining rooms will have sanitizing stations in plain view with signage reminding all production staff and performers about sanitizing best practices.

III. STAGING PRACTICES

The staff, director, designers and stage managers will work diligently to implement social distancing into all staging and choreography, in addition to safe practices involving the amount of time actors are closer than 6 feet (i.e., while making a cross to another part of the stage), unless all performers are vaccinated and relaxation of distancing is agreed upon by the cast and crew.

The director, designers and stage managers will maintain an open-door policy for all performers to express their discomfort at any time with any staging in regards to safe practices and will work diligently to immediately rectify those concerns.

The director and stage managers will adjust staging and intimacy according to the relationships of the various performers (i.e., if there are family members or partners who are cast together in a production, their staging may differ from other cast members in order to take advantage of their relationship and COVID exposure risk), unless all performers are vaccinated and relaxation of distancing is agreed upon by the cast and crew.

BACKSTAGE AND RUN OF SHOW POLICIES & PRACTICES

I. GENERAL BACKSTAGE AND RUN OF SHOW PRACTICES

SIGN IN UPON ARRIVAL. Upon arriving at the theatre each day and sign in.

HAND WASHING. Everyone will wash their hands with soap and water or sanitize their hands when they arrive at the theatre, before the show, at intermission and after the show, as well as sanitize their hands frequently in between. Hand sanitizing stations will be positioned on each backstage wing area.

FACE COVERINGS. All crew personnel should wear a face covering at all times backstage.

SHARED ITEMS. Shared items between cast members or crew members should be sanitized between uses. The Coaster Theatre will make every effort to avoid more than one cast member touching an item while on stage.

SOCIAL DISTANCING. Social distancing will be observed in the wings, and all backstage areas, where and when possible, unless the cast is fully vaccinated and relaxation of distancing is agreed upon by all involved. When 6 feet distancing isn't available, exposure to others will be limited to no more than 15 minutes at a time with a goal of keeping close proximity to a minimum.

BACKSTAGE TRAFFIC PATTERNS. Backstage traffic patterns will remain consistent. Backstage crew will be kept at a minimum necessary for the production to operate effectively.

NO VISITORS. Only performing cast and working personnel will be allowed backstage.
NO EXCEPTIONS.

EQUIPMENT SANITIZING. All tools, machinery, work surfaces, equipment, etc. will be disinfected before and after each performance.

SANITATION CHECKLISTS. Sanitization checklists will be completed each day for every performance under the supervision of stage management.

MEALS AND SHARED FOOD. Until further notice, there will be no meals or shared food allowed anywhere inside the Coaster Theatre.

II. PERFORMERS

All performers will adhere to the general run of show policies as outlined above.

Cast members are asked to arrive no earlier than 15 minutes before their call. Those who arrive earlier than 15 minutes prior will be asked to wait outside or in their car. There will be no mingling on the premises.

Depending on cast size, performers will be placed in their own dressing area. Areas will be marked and assigned in the dressing rooms for each cast member by the theatre staff or stage management.

No one other than the cast and assigned crew are allowed to enter the dressing room at any time.

Each actor will sanitize their own dressing room area at the end of each performance.

Each performer is responsible for sanitizing and returning their props to the designated areas, unless stage management approves a hand off to a crew member.

Performers will use ONLY the backstage restrooms. Performers should not use the public restrooms located in the theatre lobby. Those restrooms will only be used by patrons.

Only performers will be permitted to obtain/return their own microphone (when utilized). Only assigned stage crew/management are allowed to assist performers with personal microphones. Performers are not allowed to assist others with their microphone.

There will be no meet and greet anywhere inside the theatre with patrons, family or friends following the performance.

Family and friends who plan to watch a performance will not be allowed to enter the theatre prior to the performance until the doors open to the public.

III. STAGE CREW

All stage crew will adhere to the general run of show policies as outlined above.

Crew members are asked to arrive no earlier than 15 minutes before their call. Those who arrive earlier than 15 minutes prior will be asked to wait outside or in their car. There will be no mingling on the premises.

Crew members must observe current local, state, and federal recommendations and regulations in regard to social distancing and gatherings.

Props will be sanitized daily according to the sanitation checklist. Some props will need to be sanitized during the show if a prop is used by multiple performers. Each performer is responsible for returning their props to the designated areas, unless stage management approves a hand off to a crew member.

Crew members may be asked to assist in sanitizing and cleaning the backstage areas between performances.

IV. DRESSERS

All Dressers will adhere to the general run of show policies as outlined above.

Hands should be washed or sanitized between each quick change.

Quick change areas backstage will be cleaned and sanitized between each performance by the dressers.

V. LIGHT AND SOUND OPERATOR

All light and sound operators will adhere to the general run of show policies as outlined above.

Follow spot, light and sound board operators will sanitize their hands between uses of their equipment.

Each follow spot, lighting and sound console will be sanitized and/or disinfected by the operator after they have completed their shift.

When used, all microphones should be sanitized before each performance. Microphones should not be shared between performers. In instances when applicable, performers will use either a personal mic or the sound technician will utilize area and directional mics to amplify performers.

Whenever possible, anyone who services a microphone must attempt to avoid doing so while it is being worn by the performer. If the performer is unable to remove their microphone, the technician should wear gloves and a face covering to service the microphone. The gloves should be discarded afterward, and hands washed or sanitized. Each microphone and microphone container should be sanitized after each performance.

Only assigned stage crew/management are allowed to assist performers with personal microphones. Performers are not allowed to assist others with their microphone.

Only performers will be permitted to obtain/return their own microphone.

VI. RESPONDING TO CONFIRMED CASES OF COVID-19 IN CAST OR CREW OF A PRODUCTION

In the event that a volunteer cast or crew member is confirmed to be currently infected with COVID-19, the following actions will be taken:

- Immediately suspend all rehearsals and/or performances of the production.
- Determine what areas of the theatre were visited, used, or impacted by the infected cast or crew member. Identify if theatre employees need to be removed from the area and if the area requires sanitization.
- Assess whether the cast or crew member's role put them within 6 feet of patrons or other employees.
- Notify the cast and crew members and theatre employees that they may have had contact with an infected cast member or employee (without identifying such person for privacy reasons) and encourage them to quarantine (as appropriate) and monitor their health for any symptoms, and if symptoms appear they should contact a medical professional and/or test for COVID-19.
- Any cast or crew member who exhibits symptoms or tests positive for COVID-19 should remain in home isolation until the cast or crew member provides reliable proof that a physician has determined that they do not need to be in quarantine or can be released from quarantine and may return to the theatre.
- Impacted cast or crew members who are not presently symptomatic or suffering a fever greater than 100.4F but who have been in close contact with a person who tests positive for COVID-19, should refrain from returning to the theatre and follow CDC guidelines before returning to the theatre.

LIVING DOCUMENT AMENDMENTS & REVISIONS

This Coaster Theatre Safety Guide, Policies and Practices Regarding COVID-19 is a living document subject to amendments and revisions at any time.

The Coaster Theatre reserves the right to amend or revise this document at any time based upon new information from the CDC, OSHA, OHA and other government and industry entities regarding safety practices related to COVID-19.

The Coaster Theatre reserves the right to enact new policies and protocols based upon new information from the CDC, OSHA, OHA and other government and industry entities regarding safety practices related to COVID-19.
